

Buddy

Robust but inviting to bring us closer together

Materials

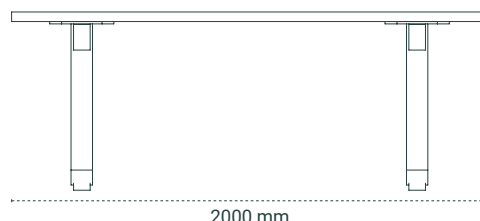

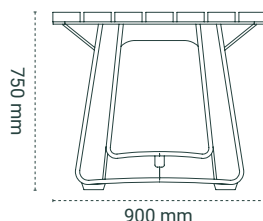

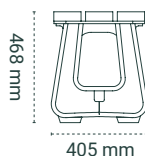

Step into the world of outdoor conviviality with Buddy, our thoughtfully crafted picnic set. Buddy brings people together, combining the elegance of a table and the comfort of benches into a harmonious ensemble. Crafted with our hallmark sustainability ethos, the base of Buddy is made from 100% recycled household plastic, showcasing our commitment to eco-friendliness. This sturdy foundation is perfectly complemented by the bamboo top, not only adding a touch of natural grace but also creating a durable, weather-resistant surface for your outdoor gatherings.
